Dear PBC Church Family!

All of us are very concerned about the latest development of the Coronavirus. The government just announced a further extension of TWO weeks of MCO. It is our duty to stay home to stop the contagion. The church premises will be closed for all meetings.

All pastors and staff are working from home. Please do not hesitate to call on any of the pastors if you need help. The church will continue to update you from time to time.

Deacon Abraham will send out prayer requests to encourage the whole church to pray. You are welcome to send in your prayer request.

The regular Sunday worship services will be broadcast online. This now will include the Good Friday and the Easter services due to the extended MCO.

In the meantime, focus on Jesus and wait on Him.

Stay safe by being home with your family.
