

CMC ADVISORY 12/10/2020

Dear PBC family,

Greetings in the Name of our Lord Jesus Christ!

1. **Temporary Suspension of physical worship service.**

As a precaution against the uptick in covid cases around the Klang Valley, the leadership as advised by the CMC has decided to suspend physical worship service for two Sundays, ie this **Sunday 18 October and next Sunday 25 October**. We will monitor the covid situation closely and decide in the coming days on the possible resumption of physical service for the Sunday of 1 November. The church will be duly informed.

As a result please join the livestream service for the two Sundays mentioned above.

2. **Annual Members' Meeting on 18 October 1130 am.**

This meeting will proceed as scheduled, for which notice has been duly given.

However, since physical worship has been suspended, this meeting will be conducted fully online via zoom.

Documents pertaining to this meeting will be forwarded online in the next few days to those members who have registered to attend.

The covid situation is still a threat and will be for many months to come. May we all be alert and vigilant as we follow the SOPs diligently and continue to look to our Lord for wisdom as we live our lives in these uncertain times.

The Lord be with you!

On behalf of the Leadership,  
CMC (Covid19 Management Committee)
